

Exemption 2012/100

JERSEY DIRECTOR OF CIVIL AVIATION

Air Navigation (Jersey) Order 2008

FOR HOME-BUILT AIRCRAFT REGISTERED IN A MEMBER STATE OF THE EUROPEAN CIVIL AVIATION CONFERENCE (ECAC)

Article 8a

1. In order to facilitate over-flights and visits to the Channel Islands by foreign registered aircraft home-built aircraft the Director of Civil Aviation for Jersey, in exercise of his powers under article 153 of the Air Navigation (Jersey) Order 2008 ("the Order") hereby exempts, subject to paragraph 2, any home-built aircraft registered aircraft registered in a Member State of ECAC from the provisions of article 8(a) of the Order (Certificate of airworthiness to be in force).

Conditions of Exemption

2. This exemption is granted subject to the following conditions:
 - a. this Exemption shall only have effect within the Channel Islands Control Zone and the Jersey Control Zone;
 - b. the aircraft is flown under and in accordance with a valid Permit to Fly or equivalent document issued by the State of Registry;
 - c. the aircraft shall not fly for the purpose of public transport or aerial work, other than aerial work which consists of flights for the purpose of flying displays, associated practice, test and positioning flights or the exhibition or demonstration of the aircraft;

JEXM 2012/100

- d. no person shall be carried during flights for the purpose of flying displays or demonstration flying except the minimum crew, except with the prior permission in writing of the Director of Civil Aviation;
 - e. a placard shall be affixed to any aircraft flying in accordance with a permit to fly in full view of the occupants which shall be worded as follows:
*"Occupant Warning
This aircraft has not been certificated to an International Requirement."*
 - f. the aircraft shall only be flown by day and in accordance with the Visual Flight Rules except with the prior permission in writing of the Director of Civil Aviation;
 - g. the owner of the aircraft shall ensure that the documents specified in Schedule 1 to this exemption are valid and available for inspection by the DCA on demand when the aircraft is in the Channel Islands;
 - h. Except for aircraft owned by residents of Jersey, the aircraft must not remain in the Channel Islands pursuant to this exemption for a period of more than 28 consecutive days in any one visit without the prior permission of the DCA.
3. This exemption shall come into force on 27 May 2012 and remain valid until varied, suspended or revoked.
4. References to sections in the Aviation Law are references to the Air Navigation (Jersey) Order, 2008 and shall, on modification or replacement of that Law, be construed accordingly

F Woods
Director of Civil Aviation

27 May 2012

Notes:

- a. The exemption is only to one part of an Article of the Jersey ANO and, as such, only applies during the hours of operation of and within the Channel Islands Control Zone and the Jersey Control Zone. For the avoidance of doubt, it does not include any airspace under the control of the Bailiwick of Guernsey.
- b. The exemption is limited to the specified part of an Article of the ANO; all other Articles apply unmodified.
- c. The carriage and operation of SSR transponder equipment is mandatory when flying within the Channel Islands Control Zone. UK AIP AD 2-EGJJ-1-10 refers.

SCHEDULE 1

Documents to be made available for inspection by the DCA

Whenever a foreign registered non-ICAO compliant aircraft is visiting Jersey under the terms of this exemption, the owner of the aircraft shall ensure that the documents specified as set out below, are valid and available for inspection by the CAA on demand:

- A valid registration document from the ECAC Member State or, if appropriate, the Provincial authority for French ULM aircraft
- A valid airworthiness certificate issued by the State of Registry (e.g. CDNR, CNRAC), Permit to Fly or equivalent document, e.g. Carte d'Identification (ULM) or Flight Permit for the aircraft;
- A valid insurance certificate or document as appropriate that meets the requirements of European Regulation (EC) 785/2004, where necessary; and
- A valid radio station licence, if appropriate
